MINUTE ENTRY

The Court has received and reviewed Petitioner/Mother's *Motion for Reconsideration*, Respondent/Father's *Response to Petitioner's Motion for Reconsideration*, Petitioner/Mother's *Reply to Motion for Reconsideration*, and Respondent/Father's *Motion to Strike Petitioner's Reply to Motion for Reconsideration*.

THE COURT FINDS that on April 4, 2014, the Court ordered Father to file a response to Mother's motion for the reconsideration of the Court's Under Advisement Ruling regarding the allocation between the parties of federal and state income tax expenses for the parties' minor children.

**IT IS ORDERED** denying Father's *Motion to Strike Petitioner's Reply to Motion for Reconsideration*.

THE COURT FURTHER FINDS that a modification of child support by this Court did not occur in this matter based upon the stipulation of the parties and thusly a modification of the allocation of tax exemptions for the minor children was not warranted.

**IT IS FURTHER ORDERED** affirming the previous orders of this Court concerning the allocation of the exemptions for the dependent children.
